

RESPONSIBLE SOURCING PRINCIPLES

SYDNEY
FISH
MARKET

01.

ALL OUR PRODUCT IS LAWFULLY SUPPLIED

- ✓ We accept product only from suppliers who comply with national and international regulations, and who operate within SFM's exacting quality and food handling standards.

02.

OUR PRODUCTS ARE TRACEABLE

- ✓ We maintain a robust traceability system.
- ✓ We actively support innovation in this area.

03.

WE SUPPORT CONTINUOUS IMPROVEMENT IN FISHERIES AND AQUACULTURE

- ✓ We use our influence to encourage and support environmental stewardship and improved responsible fishing practices through research, innovation and engagement.
- ✓ We partner with organisations working in environmental stewardship and habitat restoration.

04.

INFORMATION ABOUT OUR PRODUCT IS CONSISTENT AND CLEAR

- ✓ We advocate for precision in labelling and adhere to the Australian Fish Names Standard.
- ✓ All our product is identified by country of origin.
